

The book cover features a low-angle shot of a blue sky with dark, silhouetted tree branches framing the top and sides. Two birds are in flight, one in the upper left and one in the lower center. The title 'ENDZEIT' is prominently displayed in the center, with the letters filled with a fiery, orange-red pattern of flames and lightning. The author's name 'LIZ JENSEN' is positioned above the title in a dark, serif font.
