DANIEL STEIN

ROMAN

»Einer der seltenen Glücksfälle der Weltliteratur,  
in der Dichtung und Wahrheit Hand in Hand gehen.«

Natascha Freudel, tageszeitung

dtv

The illustration on the book cover depicts a dark silhouette of a person wearing a hat, standing in profile and looking towards the left. The background is a textured, light-colored surface, possibly a wall or a piece of paper, with faint, illegible markings that suggest a drawing or a map. The overall color palette is muted, with shades of olive green, brown, and beige.
